

Minutes – Cincinnati Contra Board Meeting –

March 2, 2025 7:00 pm

Meeting began at 7:02 pm

Present: Valerie Allendorf, Cori Yaeger, Kurt Grannan, Steve Edwards, Michael Hentz, Philip Ogston, Josh Telecsan, Larry Lankford, Charles, Wallner, Myra Mitchell, Audrey Eyman, Deven Corzine. Absent: Bonnie Carpenter

Introduction

Meeting Minutes from 02/02/25 accepted

Treasurer's Report - accepted

Secretary's report - report on Pigtown buttons ordered (150-170 will be expensed to CCD). T-shirts ordered for PTF. (note: later decision made to expense all buttons to PTF per Treasurer Larry)

WFAC report – Steve and Tricia contacted WFAC about light out in our storage room and the missing broom and dust pan.

Speaker – Josh talked with Zachary, concern about liability if something gets broken. Steve suggests that we take responsibility for Philip and Josh checking out the speaker. Board approved. Josh mentioned that we need to keep sound cabinet door locked and key hidden so only authorized folks have access.

Phil noted that the piano humidifier has often been dry. Who can be responsible for that? Should be WFAC, but we'd need to know how to do it so we don't damage it. Steve will send contact info for Sarah to Phil so he can check on it. Steve noted that WFAC is getting bids for AC updates.

Social Secretary Report – Bonnie card sent to Robin in hospital

Band report 6/11 responded to survey All 6 happy with things the way they are.

Scheduling Report – good through June.

Old Business

Pigtown – Valerie – hope to announce bands for 2026 at the end of PTF. Talent budget for bands, callers for 2026 = \$10K. Approved by board so committee can get contracts out to next year's talent.

360 registered (figure on 10% cancellations). Hope not to turn anyone away. Will have some a la carte.

t-shirts, buttons – Cori (see above)

Steve asked about lunch – Myra handling it – all straightened out.

Steve asked about how many people actually pay. (like work trade and talent people who do not pay.)

Charles commented on decision made last year to make PTF an event rather than a party and that was why we made money.

Techno Dance – happening at PTF. One as part of a workshop by Ben. One Friday night across the street at the Moeller K of C hall. Total cost is \$1100.

Website – Cori – person who was a possibility is not available. Info out to Kurt and Brenda – they will look this week to see if they wish to handle it or refer us to someone who Kurt is sure would be able to handle it.

New callers – Steve – do new callers want to get more practice and ready to actually be put on the schedule for the next 6 months. Michael and Audrey said they may be able to be included on the schedule next cycle. Audrey suggested having another callers meet-up at PTF?

Google Drive progress – Cori and Josh working on it.

½ day retreat – maybe full day retreat (9am-3pm?) Cori got feedback from all board members about available dates. We will send another email survey about topics. If half-day, only one or maybe two topics. If full day retreat (6 hours) could cover more.

Board next year: Valerie not sure, Josh and Michael not sure, Myra, Audrey, Philip, Deven, Kurt, and Larry yes. Charles not sure – also depends on PTF overlap.

Recruiting more dancers – Audrey keeps getting folks to come. Challenges the rest of us. She asks folks and has them look up the website for CCD. Enthusiastic. Audrey 3 more ideas – use CCD flyer and putting them out – everybody post flyers, 2 – demonstration dances 3- online advertising FB ads. Board eventually getting a marketing budget – hire someone to run for us. Philip suggested a button for us to wear when we go out – to recruit dancers.

New Business

Callers and Bands – tabled.

Board member roles and responsibilities – Charles suggested attending Gaye's Fyfer's workshop at PTF – Organizer's Gathering.

advertising for new dancers – need PSAs and ideas for what stories we might wish media to cover. Per Charles we need a background piece. Charles will write one.

Michael looked up meet-up group costs - posting on meetup. \$13 week, \$45 month, \$300 year.

Suggest doing a demonstration thing at Paddlefest – first weekend in August.

Meeting ended at 8:31

Next meeting: April 6, 2025, 7:00 pm zoom
