Administrative Business

Meeting Minutes from 07/13/25 – Cori – accepted by consensus (note: there was no August board meeting.)

Treasurer's Report - Larry – accepted by consensus. Steve commented on Monday dances trend of attendee numbers getting a bit better. July numbers were low but a rebound in August. Saturday dance numbers still low.

Secretary's report - Cori – 49 current voting members. Decision made to make a hybrid meeting with in-person and zoom. Valerie and Deven and Philip volunteered to set that up. Annual meeting reminder will be sent this week – 30 day prior notice was sent. Cori suggested we have fewer board members and more subcommittees (more agile and efficient). Philip says yes to limiting membership but delineating subcommittees and giving board members the first chance to be on subcommittees. Currently we have a finance subcommittee. At annual meeting we could ask for volunteers to be on subcommittees and limit board size. Subcommittees would allow us to have board meetings more focused.

Charles pointed out that we'd need to change bylaws (60 day notice) or allow members at the annual meeting to decide how many at-large members to have.

Valerie pointed out that we need to have zoom to allow at-large to attend the annual meeting. Remote votes via private chat to Valerie.

Cori and Philip will work on how to propose the possibility of voting for fewer board members (making a contested election). Like "5" additional board members because we are going to do subcommittees.

Ballot: Executive Committee: Philip Ogston- Facilitator, Charles Wallner – assistant facilitator, Myra Mitchell– Secretary, Larry Lankford - Treasurer – plus any nominations from the floor.

Members at Large: Audrey Eyman, Deven Corzine, Valerie Allendorf, Bonnie Carpenter, Darlene Underwood, Richard House

WFAC report – New director is Brianna Matzke. She will be at our annual membership meeting and will speak about WFAC. Need to reserve dates with WFAC every six months when we have the schedule, including Waltz nights

Social Secretary Report – No situations to report.

Scheduling Report – October Saturday dance cancelled (scheduling error) Kenny and Polly available to do DJ Contra November and December.

Bonnie requested \$600 additional for bands per 6 months – money not spent within 6 months gets returned to general budget. **Board consensus approval.**

Housing for Raven and Goose – allergies – Audrey is offering. We need to find someone who will house Toss the Possum – need to know about allergies!

Old Business

Website – Kurt - planning to transfer domain soon. Confer with Richard and Deven. Deven assured that we will not lose current data from the old website. Old website will no longer be active.

Waltz night – Trish indicated that Erin Hildebrandt is willing to take over Waltz nights. Philip said we need to get to know her. Trish is going to stay with the Waltz and they have committee for promotions, decorations, refreshments, etc.

Cori will communicate with Erin to sign her up as a voting member – please attend our annual meeting. **Consensus that Erin is new Waltz coordinator.**

Philip proposed that Waltz, Everybody's Dance, should be committees that report back to the board.

Google Drive progress – Josh – no update

Board retreat summary – canceled – Audrey not at the meeting. Larry indicated that he is head of finance and budget committee and asked when proposal is meant to be ready. November at the earliest for new board to review.

“Everybody's Dance” status – Larry reported we are all set for this. Still need agreement to be signed. Charles offered to be conduit from ED. Natalie Fields is also a possibility.
