

CCD Board Meeting

- **Date/Time:** Sun, Mar 1, 2026 · 7:00 PM
-

Attendees (as mentioned in transcript)

- **Board/Participants:** Myra Mitchell, Philip Ogston, Valerie Allendorf, Richard House, Deven Corzine, Bonnie Carpenter, Audrey Eyman, Charles Wallner, Darlene Underwood
 - **Absent: Larry** (Treasurer) — out of town / at dance; indicated he would not vote due to not hearing discussion
-

Chronological Key Topics & Detailed Discussion Summaries

1) Opening, Attendance & Technical Troubleshooting

- **What happened:** Widespread audio/camera issues (especially for Bonnie and Charles); group assisted (volume settings, dial-in number). Darlene rejoined via phone identity. Once stable, meeting proceeded.
 - **Why it matters:** Confirms quorum and sets context for slight delay in agenda.
-

2) Minutes & Reports

- **Previous Minutes:** Myra asked for corrections; none offered; minutes accepted informally.
 - **Treasurer's Report:** Larry emailed that no new financials until the second week of March; absent from 3/1 meeting; John McCain to handle funds for the 3/2 dance. Board accepted proceeding without a formal report.
 - **Secretary's Report:** Myra noted an executive meeting occurred to refine the scheduler job description; intends to include a brief blurb in the regular minutes.
 - **Social Secretary:** "Nothing to report; everyone is healthy."
-

3) Scheduling Report (Emergency Coverage & Local Talent)

- **Caller emergency list:** Liz (top), Steve Edwards (2nd), Michael Hentz (3rd). Beth and Margaret willing if needed; later, **Darlene** requested to be added and was affirmed.
 - **Band emergency options:** Rick Boyce can try to assemble a band in emergencies (needs time). "Rosenthorn" recordings discussed; terms (per-use vs flat fee) still under negotiation.
 - **Compensation norms:** If a booked band fails to show (e.g., Gem City Revelers), they are not paid; substitutes (e.g., Kurt & John) were paid. Potentially retain some funds to compensate for recorded music usage if needed.
-

4) Pigtown Fling Update & Floor Management

- **Registrations:** "A little over 300" registered; a-la-carte is open; typical last-month bump expected after email pushes. Target capacity management remains flexible.
 - **Volunteers & Snacks:** Need a **Snacks Lead** to coordinate work-trade volunteers (3 snack windows across Saturday). Christie handling food sensitivities; Alice Palmer and Wilson helping this year (may not commit next year).
 - **Chaos/Shenanigans line:** Mixed feedback last year (crowding, a couple of injuries; lack of visible "boundary"; one caller changed hall orientation). Group discussed:
 - Designate **where** the chaos line forms (caller's right / dancers' left).
 - Prefer caller **announces and manages** it; avoid "rotate hall" experiments when crowded.
 - Consider **making it a planned tradition** (e.g., second dance after the break) so it's controlled and communicated.
 - Floor-crowding mitigations (e.g., timed popsicle/ice cream announcement to draw people off floor).
 These points to be communicated to callers beforehand.
-

5) Venue/Sound & Partner Relations (WFAC)

- **Speakers:** Committee (via Larry) initiated purchase of two new front speakers for the hall (lower cost than prior repair/replace options). John McCain to oversee installation. Formal minutes should reflect committee vote to buy.
 - **Partnership with WFAC:** Desire for tighter collaboration; possibilities discussed (family/senior/youth programs; leveraging Hazel's family activities in Mariemont). Need a sit-down to align on **thermostat/temperature controls** and broader partnership.
-

6) Website & Workshops Linkage

- **Workshops posted:** Workshop schedule is on website and linked from registration. Clarification: mix of workshops and dances (e.g., ukulele workshop visible now).
-

7) New Business — Talent Scheduling Charter

- **Document focus:** Roles/responsibilities of the **Talent (Band & Caller) Scheduling** lead(s) — deliverables include “provide band & caller on stage at start of each dance, or make alternate arrangements in emergencies.”
 - **Key debate:**
 - **Precedent:** Historically, once the schedule is published, **bands/callers arrange their own swaps** and inform the scheduler; scheduler steps in for **emergencies**. (Therese’s past practice cited.)
 - **Clarity:** If current leader changes that practice, it must be **documented and communicated** to all bands/callers.
 - **Procedure artifacts:** Include a **written procedure** (selection fairness, schedule setting, and how alternates are arranged), versioned and dated; accessible for continuity (suggestion to build a policies/procedures manual).
 - **Outcome:** Motion (Exec Committee) to adopt the **Talent Scheduling Charter**; seconded; **passed unanimously (9–0)**. Title preference “Talent Scheduling” noted.
-

8) Elections — Talent Scheduler(s)

- **Nominations:**
 1. **Bonnie & Deven** (co-leaders; incumbents)
 2. **Valerie & Richard** (co-leaders)
- **Statements & Q&A (highlights):**
 1. **Bonnie & Deven:** Track record of ~3–4 years; satisfaction survey results “mostly 5s”; built **new-caller mentorship** with Darlene; emergency management (e.g., Jump City Revelers no-show); interest in a **public online calendar**; openness to collaborate (e.g., Valerie/Richard assisting with selected Saturday bookings).
 2. **Valerie & Richard:** Decades as organizers/dancers; strong **outreach** (travel to other dances; online organizer/caller networks); vision to **broaden talent and audience diversity**, mentor **younger leaders**, and consider an **ombudsman** role for talent communications. Comfortable running surveys and leveraging national resources (CDSS catalogs, Jeff Kaufman’s listings).
- **Vote (secret via DM): Valerie & Richard elected, 6–3.** Deven offered to serve on their committee; Bonnie offered to forward pertinent materials to aid transition.

- **Transition timing:** Valerie & Richard to own scheduling for **2H-2026** (target: schedule completed by **June 1** for the following half; status updates at board). Exact handoff mechanics left to leaders; board expects written procedure before scheduling activities begin.
-

9) Parking Lot / Next Meetings

- **Speakers for WFAC:** Defer detailed financial/status discussion to next meeting when Larry is present.
 - **Monday after PigTown:** Consider making it part of PigTown in future years.
 - **April Board Agenda Draft:** Finance Committee report; scholarships/sponsorship policy; investment options; any additional items to Myra prior to next meeting.
-

Summary of the Executive Meeting

Thursday, February 26, 2026

Attendees: Executive Committee members Philip Ogston, Charles Wallner, Myra Mitchell
(Board members Deven Corzine and Bonnie Carpenter listening in)

The meeting focused on finalizing preparations for the upcoming board session where the group will vote on the Talent (Band & Caller) Scheduling Job Description.

Much of the discussion centered on:

1. Document Access & Logistics

Members worked through issues accessing the draft job description and confirmed it would be emailed and added to a shared drive for easier review and future handoffs. They also discussed setting up an official CCD scheduler email address for smoother transitions between leaders.

2. Agenda Planning for the Full Board Meeting

They finalized the agenda order:

1. Vote on the Talent Scheduling job description.
2. Accept nominations.
3. Allow candidate statements (5 minutes each).
4. Hold a Q&A period (10 minutes, extendable by the secretary).

Other items—like new speakers for the venue, PigTown Monday dance, and finance topics—would be moved to future meetings if time ran short.

3. Refining the Talent Scheduler Job Description

Members reviewed wording in the draft:

- Clarified that schedulers **communicate with bands/callers** but cannot “ensure” attendance.
- Added emphasis on **handling emergencies** and making alternate arrangements when someone cancels.
- Discussed whether the job description should explicitly mention co-leaders; outcome: co-leaders are allowed per existing policy without needing explicit mention.
- Noted minor edits (typos, spacing).
Philip committed to polishing the language before Sunday’s meeting.

4. Elections & Voting Method

Multiple candidates were expected:

- Bonnie & Deven (considering running together or individually)
- Valerie & Richard (planned co-leader ticket)

If more than two candidates run, Deven recommended **ranked-choice voting**, with the group agreeing the election method would be clarified before the full meeting.
