Meeting Minutes from 08/04/24 approved by consensus

Treasurer's Report - Larry read his summary to board members. Accepted

Secretary's report - Cori will send her annual report summary to board for suggestions before the 10/12/24 annual meeting.

WFAC report –Lydia Collins lydia@musicartdance.org requested a meeting 9/9/24 with key CCD members. Philip suggested we talk about maybe moving orchestra stuff back more for longer sets.

Charles suggested that we collaborate with WFAC in promotion of our Saturday and special dances. Do we in the future help with the major fundraising that they plan? Need flyer about dances on their bulletin board.

Social Secretary Report – Bonnie absent. Card sent to Sarah Hoffman upon death of mother.

Scheduling Report –Everything in place until end of year. Any chance we can change language from “non-gendered” to “gender-free”? consensus yes! Deven agreed to change current schedule.

Darlene wants to have a techno dance. Kenny Greer is also interested in this and has a DJ that he might be able to obtain. Do we want to do this as a special date dance? Possible have the “techno” tagged on to an already scheduled one. Charles suggested we schedule two dances – one for Darlene to call and one for Kenny. Further discussion tabled to future meeting.

Old Business

Website – Audrey – would like to get Brenda's input. Audrey and Cori and Myra will choose a template and run it by Brenda and start moving stuff from old website. NOTE: new website would not go live until board approves it.

Annual meeting 2nd notice to be approved. OK'd Members can pay dues and become a voting member at that meeting as long as they have attended at least 3 CCD events in the past year. The email will be sent by 9/12/24 to current list of voting members.

Selling stuff – Fundraising – tabled

New Business

Google drive or other storage tool for important archived documents – Charles pointed out that state and federal law requires that the entire board have access to our archived documents. Deven will look into it. Need a google account in the name of CCD. Report at next meeting...

Waivers from covid era. Significant discussion around whether to destroy the paper waivers we used during Covid . The board previously agreed that records of vax and boosters from the covid era could be destroyed. Since the waivers also include non-covid language they will be retained. Discussion turned to whether we need a blanket waiver (like posted at the door) or specific waivers that dancers sign at intervals. Steve will check with CDSS who carries our liability insurance. Suggestions of electronic waivers etc. Decision tabled to future meeting.

Audrey reviewed that our roles as board members is to take charge of stuff at any dance – info, help getting first aid, etc. Board members are to control the room during a dance.

Bank balance ? tabled

Feedback from Liz tabled

Tip jars – doesn't seem to have an impact on our take for the dances.

Caller workshop – Darlene has agreed to do an intensive one-day workshop with no fewer than 4 and no greater than 7 participants.

Introduction to calling. Split between two days on a single weekend – 8 hours total. Class between 4-7. Host at her home. She wanted \$75 per student. Also hired musician/s for 3 of the 4 hours of the second day. Darlene would also want some food. How involved is the board going to be? Application process? Scholarships to attend? Board would cover expenses of the workshop – not pay attendees to attend. Advertise that we have 7 scholarship spots. Audrey suggested a “mentor” caller to work into the system. Darlene looking at first weekend in November. Darlene come up with a budget. Board approving the concept of paying for a calling workshop for 4-7 people. 6 yes, 3 abstentions budget flexible up to \$750.
